COMMUNICATION

Dear Sir:

The Examiner in charge of the above-identified application contacted Applicant's attorney requesting information as to whether Applicant intended to respond to a non-final Office Action mailed July 9, 2002.

Applicant's attorney reviewed the application file and checked with its docketing department, where it was determined no such amendment was received.

In a subsequent conversation with the Examiner, Applicant's attorney was advised that the Examiner did not receive Applicant's submission of the now-attached "Transmittal of Power of Attorney and Revocation of Prior Powers," mailed to the Patent Office on April 26, 2002.

Applicant also submits herewith a copy of the postcard evidencing the Patent Office's

Applicant supplies the attached materials at the Examiner's request, and, as noted by the Examiner, awaits a remailing of the July 9, 2002 Office Action, including a new starting date for a reply to such Action.

Respectfully submitted,
